

Toronto Virtual Meeting July 2, 2020 League Strategic Plan (Year 2) Reorganization Survey

The **Reorganization Working Group** invited provincial, diocesan and some parish presidents throughout the country to participate in a focus group on the next phase of the reorganization of the League. The council presidents were from a cross-section of large, small, rural, urban, struggling and vibrant councils. The goal was for them to provide feedback on the League reorganization strategies below.

- **G1.C1: Reduce the number of standing committees to three to align with the core values of faith, service and social justice**
- **G1.C2: Examine the current levels of the League**
- **G1.C3: Streamline executive officers at all levels and create distinctive roles for each level**

Seventy-one councils from the Toronto diocese were submitted to participate in the confidential reorganization survey which was circulated in the middle of June. They were also invited to participate in a virtual meeting on July 2nd on the reorganization proposal. Thirty-four presidents from the seven regions were in attendance. Lisa Henry, Marilyn Blew and Sue Lubowitz, members of the Reorganization Working Group provided an overview on the reorganization process and the proposal. Fifteen Toronto life members also had an opportunity to complete the survey.
