St. Michael's College is one of the seven colleges in the Faculty of Arts and Science on the St. George (downtown) campus of the University of Toronto. Every student in the Faculty of Arts and Science belongs to a college, an intellectual and social community, which provides a wide range of services and facilities to its members. Students may choose from the full range of arts and science courses, regardless of college affiliation.

St. Michael's College, in conjunction with the sponsorship and administration of the Toronto Diocesan Council of the Catholic Women's League of Canada, cooperate in awarding the CWL/St. Michael's College Scholarship. The value of this non-renewable scholarship is \$3,000.

The awarding of the scholarship is based on a number of factors - eligibility, first choice of college, and high mid-average marks on admission. Financial need is a consideration.

This scholarship is open to any young woman who is of the Catholic faith, who is completing her secondary school education, and who has indicated on her application to the University of Toronto that St. Michael's College is her *first college of choice*. The applicant must be entering the Faculty of Arts and Science in one of the following areas of study: Commerce, Computer Science, Humanities and Social Sciences, or Sciences.

Eligible candidates must complete the attached application and submit a letter of introduction and any other supporting documentation that will demonstrate eligibility. The attached application may be photocopied. Please do not forward transcripts, as these will be part of the University of Toronto application.

To date, we have awarded many scholarships and are looking forward to assisting more young women in pursuing their post-secondary education.

We would appreciate your cooperation in bringing this information to the attention of any eligible young women in your secondary school(s) and invite them to compete for this scholarship. **Closing date** for applications is **May 31, 2023**.

Thank you for your assistance.
