

TDC Virtual New Year's Party 2021

To celebrate our sisterhood and bring in the new year, the Toronto Diocesan Council organized a virtual New Year's Party on January 13th 2021 with over 260 members in attendance. It included a spiritual reflection on "Hope" followed by members sharing their talents with musical performances, storytelling, poetry reading and telling jokes. We concluded with a slideshow presentation of council photos, followed by a closing prayer. Happy New Year 2021!!!!
