2023-24 St. Michael's College Scholarship Recipient

The Toronto Diocesan CWL Council congratulates Serena Fanzutti on receiving the St. Michael's College Scholarship for the 2023-24 academic year.

The awarding of the scholarship by St. Michael's College is based on a number of factors - eligibility, first choice of college, and high mid-average marks on admission. Financial need is a consideration.

Serena is an active member and faithful witness to the Catholic faith in All Saints Parish in Humber Valley Region. She was an excellent student for four years at Bishop Allen Academy, very active in extra-curricular and co-curricular activities in the school and the community. Her organizational skills and volunteer achievements are many. Serena believes that her most significant achievement to date is acquiring many leadership skills and continuing to be an active member within her community. She states that she is "a leader who is selfless, compassionate and kind towards others".

Donations from councils fund this scholarship. Please continue to help us support a young woman who's first choice for post secondary education is St. Michael's College at the University of Toronto.
